Lt. Governor Patrick Endorsed by Texas Farm Bureau AGFUND

"He has tackled issues that are a major priority for farmers and ranchers."

HOUSTON, TX – Lt. Governor Dan Patrick announced today that he has been endorsed by Texas Farm Bureau AGFUND. In making the endorsement, Texas Farm Bureau President Russell Boening said:

"Farmers and ranchers don't support someone unless the individual earns it. Over the past eight years, Lieutenant Governor Patrick has earned that support. He has tackled issues that are a major priority for farmers and ranchers – border security, eminent domain reform, groundwater rights and lowering burdensome taxes. Texas Farm Bureau AGFUND proudly endorses Lieutenant Governor Dan Patrick for re-election so that he can keep fighting for issues that are important to our state's farm and ranch families."

Founded in 1933 and with over 500,000 member-families, Texas Farm Bureau's mission is to be the voice of Texas agriculture.
