Patrick Endorsed by San Antonio Professional Firefighters Association

“Lt. Governor Dan Patrick is a true leader in every conceivable manner.”

HOUSTON, TX – Lt. Governor Dan Patrick announced today that he has been endorsed by the San Antonio Professional Firefighters Association. In making the endorsement, S. Joe Jones, San Antonio Professional Firefighters Association President, said:

“Leadership, true leadership, in our modern society is both rare and dangerous. Leaders, true leaders, who are brave enough to face modern challenges while remaining balanced and reasonable are even rarer. Lt. Governor Dan Patrick is a true leader in every conceivable manner.

“Balanced, consistent, courageous, and creative are all words used to describe Lt. Governor Dan Patrick's leadership within our state legislature. Lt. Governor Patrick has a proven record of innovation and intuition regarding critical issues facing our great state while also being a man of impeccable character who speaks to truth in the pursuit of progress.

“Lt. Governor Patrick's enthusiasm for, and comprehension of, important issues affecting Texas first responders has demonstrated his tenacity for fairness and his understanding of balance. Dan's reasonable and responsible approach to governance and his authentic concern for the selfless sacrifices our Texas first responders make every day continue to provide confidence to our members on the front lines. Lt. Governor Patrick's ability to appropriately identify the important issues and his willingness to work tirelessly across all lines to find solutions motivates and inspires us all.

“San Antonio Firefighters proudly stand with and enthusiastically endorse Lt. Governor Dan Patrick, a proven leader.”
