Patrick Response to Tribune Story
"A dozen mysterious unnamed sources..."

HOUSTON TX – Texas Lieutenant Governor, and conservative Republican candidate for re-election, Dan Patrick released the following statement:

"This morning's story in the Texas Tribune is just another liberal media hit piece, orchestrated to divide Republicans and choreographed for release during the middle of early voting. A dozen mysterious unnamed sources seem to have been listening in on the private conversations of everyone from President Trump to Texas' top leadership. Grocery store tabloids with headlines about Elvis and aliens are more believable."
