Patrick Endorses Wayne Christian for Railroad Commissioner

HOUSTON, TX – Texas Lt. Governor and conservative Republican candidate for re-election, Dan Patrick, released the following statement:

“I endorse Wayne Christian for re-election to the Texas Railroad Commission. In this low turnout run-off election, every vote is very important.

“The Railroad Commission oversees the oil and gas industry. I will continue to work with the industry and the Commission going forward to ensure Texas has a sustainable and reliable supply of energy as we take the necessary steps to ensure the reliability of Texas’ electric grid. We must have more reliable power.”
