### **Patrick Honored by Senator Lucio's Endorsement**

*Lucio is a respected leader who is often called "the conscience of the Texas Senate"*

HOUSTON TX – Texas Lieutenant Governor Dan Patrick released the following statement after being endorsed by Senator Eddie Lucio, D-Brownsville:

"I am honored and proud to be endorsed by Senator Eddie Lucio – a respected leader who has often been called "the conscience of the Texas Senate." Senator Lucio is a principled legislator who is committed to the people of the Rio Grande Valley. Eddie and I have worked on hundreds of pieces of legislation together, despite our different political parties. He is a great Texan who has served this state his entire life, including 34 years in the Texas Legislature. I appreciate his support."
