### **Phelan Hits Rock Bottom**

*Using the war in Israel for his own political gain*

HOUSTON TX – Texas Lieutenant Governor and conservative Republican candidate for re-election, Dan Patrick released the following statement:

“I didn’t think even Dade Phelan would stoop this low. He has now absolutely hit rock bottom. His latest political stunt is disgusting, despicable, and disingenuous.

“With nearly 1,000 dead and over a hundred kidnapped, anyone who would use the war in Israel for their own political purposes is revolting, repulsive, and repugnant.

“Nick Fuentes and his antisemitic rhetoric have no place in the United States. Those who spew such vile, loathsome, abominations will have to answer for it.

“For anyone to try to use these invectives for their own political gain is below contempt. I am calling on Dade Phelan to resign his position before the House gavels in this afternoon. There is no place in Texas political discourse for any elected official to use the atrocities in Israel for their own political gain. That’s what Dade Phelan is doing. At this point, he’s simply got to go.”
